Re: WC Docket No. 16-197

Dear Mr. Flynn:

I am in receipt of your letter dated April 14, 2017, on behalf of Charter Communications, Inc., ("Charter") requesting approval to modify the dates Charter files its reports on its compliance with the Discounted Broadband Services Offer condition as required by the Commission as part of its approval of the applications for the transfer of control of licenses and authorizations from Charter Communications, Inc., Time Warner Cable Inc., and Advance/Newhouse Partnership to a new company, also named Charter Communications (Charter).¹ You note that the first report is due May 18, 2017 (and every six months thereafter), yet the first deadline for enrolling households is May 31, 2017. You ask that in order "to rationalize the sequence of compliance and reporting, and provide Charter with adequate time to prepare and file the report," that the first report be due July 31, 2017, and that subsequent reports be due every six months thereafter. You state that the substantive requirements of the Discounted Broadband Services Offer condition would remain the same.

For the reasons stated in your letter and for good cause shown, your request for an extension of time to file these reports is approved.

If you have any questions regarding this matter, please contact Joel Rabinovitz at (202) 418-0689.

Sincerely,

Madeleine Findley
